**RE: DTE 03-128 - New England Power Company's Amended Responses to the
SALEM 1-55 and DTE RR-3**

Dear Secretary Cottrell:

Enclosed please find one (1) original and six (6) copies of New England Power Company's ("NEP") Amended Responses to SALEM 1-55 and DTE RR-3. NEP is submitting these Amended Responses pursuant to 220 CMR 1.06(6)(c)(5) which imposes upon all parties the "continuing duty to amend seasonably" responses that were incorrect when made. NEP recently discovered, while preparing its Initial Brief that these responses were incorrect when made and hereby submits Amended Responses that are correct.

An electronic version of this filing is also being sent to you today via e-mail.

An additional copy of this filing letter is enclosed, to be date- and time-stamped and returned to me in the attached self-addressed, stamped envelope.

Respectfully,

s/Paige Graening
